SNAG GOLF REGISTRATION

SNAG Golf is a great, fun & unique way to introduce golf to juniors. It is designed for juniors ages 4-9 to become familiar with the movements and skills necessary to inspire participation and facilitate the transition to real golf. Enrollment in this program requires that an adult attends and participates with each junior student. After completing this program, juniors often choose to enroll again and/or begin to apply their newfound SNAG skills toward their continued development of good golf habits at the driving range and golf course.

SNAG is taught as a progressive series of four one hour sessions, with rotating practice stations and culminating with a 4-hole SNAG golf course play day during the last session. FEE: \$70 per junior
